

COROMANDEL DELIVERY POINTERS

During this current Corona Virus situation we would ask that if you are having deliveries made to you, that you adhere to the following directives :

That all deliveries be picked up at the front door to your building if at all possible.

That all transactions be in the form of a credit card to limit the exchange of cash ie: include the tip on the charge.

If you are expecting a shipment that is coming via FedEx, UPS or Amazon please make sure to check the entrance to the building periodically for the shipment.
