

Neighbors Helping Neighbors

Attention Coromandel Neighbors !

My name is Kirby Kemp and I have lived in building 431 at Coromandel for the past 23 years. I am offering residents the opportunity to reach out to me if they need groceries delivered or a prescription picked up.

This is a totally voluntary effort on my part with no affiliation or sponsorship by any Coromandel Association.

If you would be interested in assisting me in this venture and have some time to donate to your neighbors please contact me.

There is **NO CHARGE** for this service.

If at all possible the resident requesting the service should be available to come to the front door of their building to receive the items.
