

RESIDENT ALERT

371/372, 381/382, 391/392

Just a reminder that during the colder weather, if you have to walk "Man's Best Friend" in the garage, you **MUST CLEAN UP AFTER THEM IMMEDIATELY**. In the past couple of weeks there have been 3 times when someone had not cleaned up after their pet had relieved themselves.

The preference is that you walk your pet outside, but if you can't, then be a responsible pet owner and clean up after them, failure to do so may result in you being fined.

Thank you in advance for your cooperation.
