

COROMANDEL COMMUNITY ASSOCIATION NEW PROPERTY MANAGER

Hello Coromandel Residents:

My name is Margaret O'Brien and I am the new property manager for Coromandel Community Association. I am very excited to be managing over such a beautiful property.

I come with twenty-three (23) years of condominium management experience. I have managed condominium Associations, residential and commercial sites in down-town Chicago, Highland Park and Miami Beach Florida. Part of the many facets of my job descriptions includes capital and aesthetic improvements, preventative maintenance, preparing budgets and supervising HOA staff.

I am a dynamic and energetic manager, steadfast leader, mentor and coordinator. I am looking forward to making Coromandel Community Association a better place by improving the structure and aesthetics. One of my main goals is to help the landscape committee improve the grounds by bringing in more plant color and attraction.

One of my best qualities is excellent customer service. "I treat your home as if it were my home." Every owner is equally important to me and I am gifted with compassion and understanding toward the owners of your HOA.

Please feel free to stop in the office and introduce yourself. I look forward to meeting every resident soon.

I can be reached at 847-317-9436 or email: coromandel@comcast.net
